Important Notes: -						
1. Rates quoted shall remain firm and fixed for the entire contract period of 3 years. No price escalation shall be permitted on any account including fuel, manpower, SIM/data, travelling, boarding lodging or any other input cost.						
2. Fleet size of 1000 vehicles is indicative. GEL reserves the right to increase or decrease the fleet. All quantities indicated in the SOR are estimated quantities for tender evaluation purposes only and do not constitute any commitment by GEL for minimum quantity/order value. Actual quantities may vary during the Contract Period based on GEL's operational requirements. Payment shall be made only for actual quantities/services supplied, utilized and accepted by GEL at the unit rates, subject to the terms and conditions of the Contract.						

3. SECTION A QTY: 1000 vehicles × 36 months = 36,000 device-months. Billing commences GA-wise as per SOW.
4. SECTION C: All items are chargeable only for damage/loss NOT attributable to the Bidder (accident, fire, theft, vandalism, third-party damage). Prior written approval of GEL EIC is required before raising charge. Replacement shall be charged only for the component actually damaged or rendered unserviceable and approved by GEL EIC.
5. PENALTIES / SLA DEDUCTIONS: Applicable SLA deductions, penalties, liquidated damages and other recoveries shall be dealt with separately in accordance with the SOW/Contract and shall be deducted from the amounts otherwise payable to the Bidder, as applicable
6. GST: All rates are exclusive of applicable GST. GST shall be paid extra against valid tax invoice.
