

**GUJARAT ENERGY**

## **QHSE OBJECTIVES**

Gujarat Energy Limited (GEL), is committed to achieving SMART (Specific – Measurable – Achievable – Relevant - Time bound) QHSE objectives to continuously improve the Quality, Health, Safety and Environment performance while fulfilling the expectations of stakeholders:

- **Develop and operate safe and reliable infrastructure**
- **Ensure uninterrupted and efficient supply of energy**
- **Maintain high standards of quality, health, safety, and environmental performance across all operations**
- **Minimize environmental impacts through responsible and sustainable practices**
- **Deliver customer connections and customer services within committed timelines**
- **Enhance customer satisfaction through prompt, reliable, and transparent services**
- **Strengthening employee skills, safety awareness, and professional capabilities through continuous learning**
- **Provide suitable systems, technology, and workplace support to improve efficiency**
- **Ensure compliance with applicable laws and standards through regular audits, inspections, and continual improvement.**

GEL shall ensure achievement of objectives through setting targets, development of action plans, provision of resources, effective monitoring and periodic management review.
